

THE FUTURE
OF LUXURY IS HERE

C O N T E N T S

N E W P R O D U C T S & D E S I G N S

WE ARE DRIVING A REVOLUTION.
WE CARRY OUR FOUNDER'S TORCH,
STRIVING TO TEAR DOWN COMPLACENCY
AND CREATE EXTRAORDINARY PRODUCTS
WITH VISCERAL DESIGNS
AND CAPTIVATING EXPERIENCES.
UNABASHED AND UNAPOLOGETIC,
WE ARE HELL-BENT THAT THE FUTURE
OF LUXURY—REAL LUXURY—
IS FORGED IN PROGRESS.

B O U N D B Y
N O T H I N G TM

FORGING THE FUTURE OF LUXURY

BEAUTY THAT BEGS TO BE DEVoured

Indulge in the relentlessly unconventional. Aesthetic beauty is innate in JennAir® luxury appliances, like the exclusive Obsidian interior illuminated by Ecliptic Lighting that defies drab vanilla-white interiors.

FINE INGREDIENTS DESERVE INNOVATIVE TECHNOLOGY

Command your appliances like never before. Disruptive technology elevates JennAir® luxury appliances from mere tools to digital sous chefs, like our JennAir® Culinary Centre—a step-by-step experience that delivers extraordinary results, guiding you from prep to plated perfection.

QUIET PERFORMANCE

Setting the standard in quiet performance, with JennAir® dishwashers as quiet as 38dBA—no luxury brand is quieter.

Because true luxury isn't loud.

C H O O S E Y O U R

R E B E L L I O N

B O L D
R O B U S T
T I M E L E S S
B R A S S

Forged in mixed metals, the robust lines of the RISE™ Design Expression draw the eye to its bold, professional-style design. Indulge in the details—a custom knurled handle, brass-inspired knob collars, a bold badge and geometric grates.

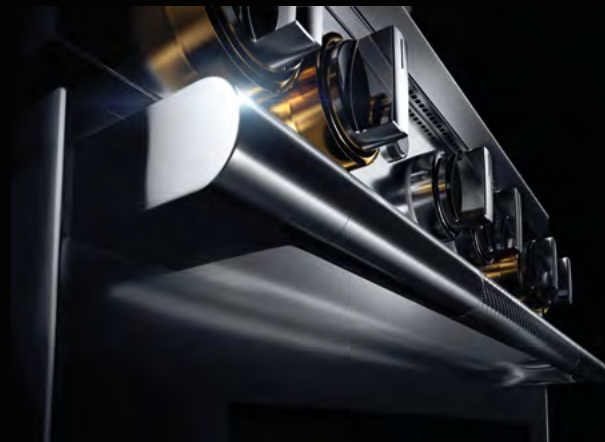

S L E E K
M I N I M A L I S T
M O D E R N
L A C E

Sculpted in stainless steel, the NOIR™ Design Expression features structured grates, expansive black glass, an illusive badge and hidden lace textures, discoverable only by touch. Explore the artful mystery of a minimalist design that rejects dated ideals of beauty.

CUSTOM KNURLED HANDLE

A strong, postured handle wrapped in an asymmetrical, diamond texture is meant to be grasped.

DISTINCT BRASS-INSPIRED FINISHES

A daring brass-inspired finish on the collars of bladed knobs pairs with polished brass burner caps* to define confidence.

GEOMETRIC GRATES

Unexpected angles and seductive curves crown brass burners*—denying traditional spider grates.

* Brass burner caps sold separately.

SCULPTED HANDLE

This bold handle becomes impossibly delicate as it is experienced. Lace textures flow in and out of view and are discoverable by both sight and touch.

STRUCTURED GRATES

An alluring juxtaposition of structure and clean lines against liquid reflections and expansive black glass.

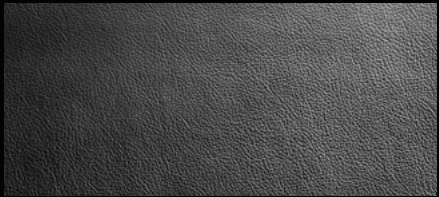

LASER-ETCHED LACE

A seductive, inscribed lace texture reflects in the concave surfaces of the handle and lever knobs.

Indulge in textures that bring the warmth and premium feel of leather to Column Refrigeration. Each of the four distinct designs—Carbon, Cognac, Croc and Caviar—is swathed in seductive Italian leather and rewrites the rule of customization in your kitchen.

C A R B O N

Hand-selected authentic Italian leather panels with an embossed grain. This classic black finish fits with any kitchen design.

C O G N A C

Authentic Italian leather in a JennAir exclusive mottled amber-coloured finish with varying depths of two-toned colour. The rich hue pairs with diverse handles.

C R O C

Authentic Italian leather textured to emulate crocodile skin. The burgundy colour is hand-rubbed into the hide and finished with a secondary tone that adds depth.

C A V I A R

Rich black authentic Italian leather tipped with pewter ink creates a two-toned effect. The stingray pattern adds a powerful dynamic to modern decor.

M Y S T I C

C U T S L E A T H E R P A N E L

TEMPTATION IS CALLING. Do you dare to follow the Siren's Song? Mystic was inspired by the deep sea, an underwater world where the last rays of sunlight illuminate the ocean floor. Captivating instantly, the iridescence brings allure and mystery to your space.

INSPIRED BY THE DEEP SEA

Crafted from authentic Italian leather in an opalescent azure green and an intricate texture, Mystic pairs perfectly with warm and cool metals, and rich, dark woods.

MOUNT A HANDLE OF YOUR CHOICE

Add on a JennAir® RISE™ or NOIR™ Design Expression handle to match your appliances or mount a one-of-a-kind handle crafted by an artist.*

* Accessory handles sold separately.
RISE™ Design Expression shown.

METICLOUSLY ENGINEERED

TO PROTECT WINE

UV-PROTECTIVE AMBRA LIGHTING

Guarded by the dual forces of Ambra Lighting and advanced UV barrier glass, our wine columns naturally ward off harmful UV rays to ensure your collection matures gracefully. Close the door and the column begins to preserve your wine, flooding the entire cavity with the protective, yet warm and inviting glow of Ambra Lighting.

PRECISE FIT WINE RACKS

Show off your collection in style on robust black maple racks, designed to cradle any size bottle, from Bordeaux to Alsace. Each rack is fitted with Smooth Close rails to help protect against vibration and sediment disruptions.

DUAL-ZONE TEMPERATURE CONTROL

Our wine columns are engineered to keep wine at a consistent internal temperature and prevent premature aging. Preserve your carefully crafted collection and allow your wines to age flawlessly by storing bottles at their ideal temperatures, with two independent temperature zones (39-64°F) and minimal fluctuations.

See [page 32–33](#) for details.

JOIN THE INDUCTION REVOLUTION WITH PRECISION TEMPERATURE CONTROL

Temperature-Controlled Cooking gives you consistent results everytime. Its rectangular flex element allows you to cook on two smaller elements or one large element. While the intelligent cooktop guide allows you to seamlessly command your culinary creations from anywhere.

TEMPERATURE-CONTROLLED COOKING

Surpass the limited control of traditional power-level cooking and get consistent results with JennAir Temperature-Controlled Cooking. Automatically maintain an exact temperature between 120°F and 400°F. Sensors monitor temperatures and automatically adjust to prevent overheating, so you're free to manage the kitchen and entertain without worry.

FLEX-CHOICE™ ZONES

Send the power of induction to every corner of your cookware. Flex-Choice™ Zones feature rectangular elements with even heat edge-to-edge, unlike traditional round bridge elements. Twin elements can be used separately at different temperatures for smaller dishes or combined into one large zone to evenly heat rectangular griddles.

SMART COOKTOP WITH GUIDED RECIPES

Connect the JennAir® App to your device and indulge in a new culinary adventure with hand-picked, step-by-step mouthwatering recipes, timers and more. Preheat your pan while you prep, get ingredient alerts, then automate cook times and temperature changes. Monitor your cooktop and change temperatures directly from your device. Command it all from the palm of your hand using the JennAir® App.*

* Appliance must be connected.
WiFi & App Required. Features subject to change.

See [page 71](#) for details.

UNLOCK
NEW HORIZONS
IN KITCHEN DESIGN

JennAir brand is revolutionizing kitchen design with the new offering a slim profile, striking lines and powerful features.

**INFINITE DESIGN
POTENTIAL**

Its slim profile and flexible installation options (or) liberates your space from bulky hoods and cabinet constraints, making even floating islands a reality. True design freedom awaits.

**POWERFUL AND
EFFECTIVE ATTRACTION
FOR CLEANER AIR**

Helps clear kitchen air of cooking vapors and odours with a powerful 345 CFM Motor Class extraction that works 5x faster than steam can rise, helping to tackle unpleasant odours in recirculation mode, promoting long-lasting freshness.

**QUIET VENTILATION
TECHNOLOGY**

Discover quiet innovation with our induction downdraft cooktop, featuring efficient airflow technology and a precision-engineered low-noise fan. Its weight-balanced blades are the secret to a quiet yet powerful extraction, perfect for the modern peaceful kitchen.*

* Performance varies based on installation. Resources available at AHAM.org.
See [page 71](#) for details.

Open your eyes to refrigerators that redefine the category. Curate a personalized JennAir® Column configuration, or choose from built-in refrigerators in multiple configurations and sizes and freestanding refrigerators.

RISE™

42" Built-In French Door Refrigerator
with Panel Kit

Available in multiple sizes.
See [page 37](#).

NOIR™

42" Built-In French Door Refrigerator
with Panel Kit

Available in multiple sizes.
See [page 37](#).

DARING OBSIDIAN
INTERIOR

Discover the only refrigerators with industry-exclusive Obsidian black interiors. Inspired by volcanic glass, this stage-like dark finish illuminated by Ecliptic Lighting erupts with high contrast style and is available in most JennAir® Refrigeration configurations.

PRECISION COOLING

From Trinity Cooling to TwinFresh™ Climate Control, JennAir® Refrigeration creates ideal climates for the differing preservation needs of fresh and frozen foods.

REMOTE ACCESS

Connect JennAir® Column and select Freestanding Refrigerators to WiFi for real-time open door, power outage and filter change notifications through the JennAir® App.*

* Appliance must be set to remote enable. WiFi & App required. Features subject to change. For details and privacy info, visit

STYLE RANGE
JDSP548HM

Bend fire to your will with JennAir® Rangetops. With 14 unique configurations in two distinct design expressions, choose a model with features including the chrome-infused griddle, indoor grill and halo-effect knobs that fits your lifestyle.

RISE™

48" Gas Rangetop with Chrome-Infused Griddle and Grill

Available in multiple configurations. See [page 58](#).

NOIR™

48" Gas Rangetop with Chrome-Infused Griddle and Grill

Available in multiple configurations. See [page 58](#).

DUAL-STACKED
POWERBURNER

Take control of precision-drilled burners with two symmetrical levels of flame that bloom to high-heat searing temperatures or retreat to a low, slow simmer at your command.

CHROME-INFUSED
GRIDDLE

Featuring an exclusive chrome-infused surface that cleans up easily to reveal a beautifully reflective yet durable appearance, the 1,320-watt griddle delivers precise, even heat for consistent cooking results.

INDOOR GAS GRILL

Harness 16,000 BTUs of searing, even heat beneath robust cast iron grates as grilling is brought indoors for entertainment on your terms.

JennAir® Wall Ovens transform prepped food and ingredients into date-night-worthy dinners. Choose from single, double or microwave combination ovens or specialty speed and steam ovens. JennAir® 30-inch single wall ovens are quieter than the leading luxury brand for an unintrusive kitchen, even when entertaining, because true luxury isn't loud.

RISE™

30" Microwave Combination Wall Oven

Available in multiple configurations. See [page 79](#).

NOIR™

30" Microwave Combination Wall Oven

Available in multiple configurations. See [page 79](#).

JENNAIR®
CULINARY CENTRE

This guided culinary experience is backed by chef-created algorithms and features full-colour food photography, doneness levels, pan types and menu-specific tips—so you can recreate 5-star recipes at home.

SMART WALL OVEN

Fluently control your wall oven—whether in the kitchen or not. The JennAir® App empowers you to control and monitor the oven remotely* and prompts you when it's time to attend to your dish.

* Appliance must be set to remote enable. WiFi & App required. Features subject to change. Details and privacy info at

V2™ VERTICAL
DUAL-FAN CONVECTION
WITH ADVANCED
TEMPERATURE PRECISION

Dual rotating vertical fans work in tandem to circulate heated air from the two 3,400-watt elements around the top and bottom racks. The two fans drive the air throughout the cavity where you need it most for flaky bakery-style pastries, caramelized roasted vegetables and to transform marbled meats into succulent roasts. Advanced Temperature Precision on select JennAir Wall Ovens* consistently tune heating elements, offering our tightest temperature control.

* Only available in 7 series wall oven configurations.

Discover the technology developed and refined by JennAir brand. Choose a telescoping downdraft ventilation system that's ideal for high-rises and penthouses. Or, find the ideal updraft configuration for your kitchen layout.

DOWNDRAFT

36" Telescoping Ventilation

Available in multiple sizes. See [page 93](#).

DOWNDRAFT VENTILATION

JennAir® downdraft ventilation systems quickly whisk away smoke, steam and odours right at the cooking surface. Installed into the countertop, these ventilation systems leave a kitchen’s sightlines unrestricted.

QUIETER THAN THE LEADING LUXURY HOOD BRAND

Exceptionally quiet venting clears smoke, steam and odours in the kitchen while creating a quieter, calmer atmosphere for conversation and entertaining.

LED STRIP LIGHTING

Light up the night. Strips of bright, long-lasting LEDs run horizontally along the underside of the hood, illuminating the cooking surface below.
